The fee is \$25/person and must be paid to the CVPC prior to event date. A signed waiver for each person is required to enter the prison and you must be on the attendee list at the time of the event in order to enter the prison.

August 23 – The club will be going to Blue Lakes reservoir for a potluck and milky way photo shoot. More details to come.

## Guest Speakers

Tabatha Theiss, President of Nevada Artist's Association and John Warden were our guest speakers. The Gallery was started in 1950 and has been at the Brewery Art Center since 1970. The NAA Gallery is a great opportunity for members interested in showing their artwork.

Their next show change is a judged show beginning June 21 – August 8, the new theme is "Spirit of America". You can decide to either show only or you can also sell your artwork. They do keep a percentage of the sale. Photos need to be framed, finished on the back with wire and ends taped. Bumpers are also required on the bottom corners.
