Tracy Christensen – guest speaker

Tracy's Pet Portrait discussion was amazing. She gave lots of tips and tricks to capture both serious and whimsical photos of your pet. She also provided us with information about a few of her photographic inspirations (Kim Harte, Margret Bryant, Jess McGovern). We are excited to have her back with us! Tracy will also be the judge on next months' photo challenge: Domestic or Wild Animals.

Field trips - NJ gave information regarding the Sutro Tunnel. The fee for a tour is \$100. May be able to arrange something at the end of July. Andi will see if the Donovan Stamp Mill is open for touring. The wildflowers are blooming near Winnemucca Pass, so this week would be good for a hike to see them.

Need a printer? NJ has two Epsoms, one free (SureColor P400) and one for sale (R3000).
