This month's photo contest had no entries with the subject HDR Photography. Millie Siebel said she submitted a photo. We will investigate

It was suggested that HDR Photography be a subject for a future meeting.

Joe Clements suggested that time lapse be a future subject for a contest. Joe also submitted a list of potential contest subjects.

We discussed the recent field trip to Buffalo Creek Center.

Elections are coming up and we are looking for volunteers.

The board is investigating a collaborative document to track speakers. Sandra Silva is assisting with the Website

Andi Parsons demonstrated how to recover data from a reformatted SD card. She had inadvertently formatted her card. She used a program called "Disk Drill" to recover the data. Its all there as long as you don't write anything to the disk after the accidental format.
